

# Boise State Radio Fact Sheet

## Four Program Services

1. News & Information - “NPR News 91”  
with programming from National Public Radio, the BBC in London, the CBC in Canada, and Boise State Radio's studios and news bureaus.
2. Arts & Performance – “KBSU”  
featuring classical music, live performance programming, and programs like "A Prairie Home Companion," with Garrison Keillor.
3. Jazz -- “Idaho’s Jazz Station”  
With mainstream jazz programming, plus student and multicultural programs.
4. Mixed Service – “KBSW”  
with the best of all of the above for markets with only one station.

**Number of listeners to all services: 80,000 weekly +**

**Originating with a single, intermittent low-power transmitter for the campus in the 1970s, today Boise State Radio operates four services on 19 transmitters:**
